Meeting was called to order at 6:06 pm

**Secretary's Report:** J Rand motioned to approve the minutes, B. Marchard seconded the motion. The vote on the motion was unanimous in favor.

**Treasurer's Report:** J Rand motioned to approve the Treasurer's report, N. McMann seconded the motion. The vote on the motion was unanimous in favor.

**Committee Updates:**

Hunter Committee: Jen said that Samantha Look was trying to organize a fall fuzzy for the weekend of the Harvest Festival. There was only one barn and a few other folks that would be available that date. The only way to move forward was to explore dates later in the season. Jen would talk to Samantha about it. Vici noted that there really should be a show committee versus one person trying to pull it all together.

Pace Ride: Will go as planned for October 19<sup>th</sup> from the West Tisbury School

Education: Vici said the riding and driving demo went well at the fair. If we are planning to do it again next year we should start planning sooner. Bruce noted that they used to do demos with draft horses dragging logs and loading wagons etc. We will continue to discuss

**New Business:**

Officers Discussion: The need to fill the Treasurer position was raised. Some ideas for reconfiguring the current officers were discussed. No action can be taken until the Annual Meeting but everyone was encouraged to think about people that might wish to get involved.

"Yield for Horses" Signage: Bruce raised the idea of signage on the boats to raise awareness for driver safety around horses. He suggested perhaps asking the SSA if signs could be put on the boats. Further investigation of the options for how they would look and the cost will need to be done.

Meeting was adjourned at 6:27 pm
