Treasurer's Report:

Committee Updates:

Hunter: Rebecca Solway announced that she needs to step down at this time. We are looking for new leadership for this committee. Jen will reach to Samantha Look. Maggie will ask Patti Roads if she is interested in helping.

Dressage: Bill & Missy Brigham from the new White Stone Equestrian (at the Red Pony Farm) have expressed an interest in working cooperatively with the Horse Council to promote shows on the island. They have tentatively planned to host a dressage show on May 11 with judge Dottie Markis. Jen said she is interested in working with them to make this a cooperative event.

Pace Ride: 4 events are planned for this year.

Education: The Centered Riding clinic is set for April 13 and 14 at Misty Meadows. Julie will be putting together the registration details soon.

Scholarship: Ginny reported that the committee met and discussed Sean O'Malley's scholarship status. It was decided that he should be allowed to keep the scholarship, as he is pursuing training in the area of therapeutic riding. There was a discussion about whether the wording of the scholarship application should be changed to include all continuing education.

There was no old business.

New Business: Representatives from the new White Stone Equestrian facility joined the meeting to express their interest in working together on horse shows this year. They also want to extend an invitation to everyone in the horse community to stop by and see the farm.

Clare Harrington would have won \$33 in this month's pot of money if she had been at the meeting!

The meeting was adjourned at 7:00 P.M.
